

MULTI-PURPOSE SPORTS FIELDS CONSTRUCTED BY NAM CAN THO UNIVERSITY TO SERVE STUDENTS AND COMMUNITIES

Nam Can Tho University invests in facilities, expands amenities, and enhances physical education and sports activities aimed at students and the community

In recent years, Nam Can Tho University has continuously strived to improve its infrastructure and expand amenities to serve students and the community. One of the most prominent projects is the construction of multi-purpose sports fields, meeting the needs of exercising and improving health for students and the community.

designed, multi-functional, and can serve many different types of sports such as football, basketball, volleyball, badminton, pickleball, swimming, ... With standard facilities, these sports fields are not only an ideal place to practice for students but also a venue for organizing sports tournaments of the school and Can Tho City.

The multi-purpose sports field construction project aims to encourage sports movements, improve health and solidarity in the community. The school board believes that investing in sports facilities will contribute to creating a comprehensive learning and living environment for students as well as bringing practical benefits to residents in the area.

A corner at the DNC swimming pool

The continuous efforts of Nam Can Tho University in developing infrastructure and improving the quality of life for students and the community have been highly appreciated. Multi-purpose sports fields are not only a proof to the school's sound investment but also a symbol of the community-oriented spirit in promoting sustainable and comprehensive development.

The construction of multi-purpose sports fields at Nam Can Tho University is an important step in improving the quality of education and physical training for students. At the same time, it also contributes to serving the needs of entertainment and recreation of the community. This is one of the clearest demonstrations of the school's commitment to building an ideal, comprehensive learning and living environment for everyone.
